

HENRY PARK PRIMARY SCHOOL PARENTS' ASSOCIATION (HPPA)

It is a non-profit making organization with the objectives of benefiting Henry Park Primary School (HPPS) pupils, the School and its members.

Logo:

To provide a heart-loving, warm and enthusiastic learning environment to nurture our innocent children as well as to maintain a harmonized relationship with all stakeholders

Enrichment co-curricular activities (ECCAs)

HPPA provides complementary activities to benefit pupils and its members. We organize the following four ECCAs which are all recognized by the school and recorded in pupils' report books.

All these activities are coordinated and organized by parent volunteers with the sole objective of giving our kids exposure to alternative sports and learning environment as well as fun.

Parents' Discussion List

HPPA holds a member-only email & web-based discussion list to enable parents to express their view on issues important to the school community as a whole.

Sponsorship and Donation

HPPA provides sponsorship to various school activities, for example, fruit awareness day, School's publication and overseas exchange program. We also have made donations to the School for various purposes.

HPPA will also sponsor pupils from hardship families to get the exposure to our organized ECCAs.

Mother Tongues

We attempt to promote a wholesome environment for mother tongues and have been working closely with the School so that our kids can raise their interest in learning the language. Examples include mother-tongue activities on every Wednesday, Sing-a-rainbow, and Act-a-rainbow. This will not work without the support of *you*, the parents.

Pro-family policy

We understand the importance of having quality time with our family members therefore we encourage parents or siblings of the HPPS pupils to share some common activities. Currently, there are parents taking taekwondo, wushu and golf training through the same suppliers. Some siblings of HPPS students have started training ice-skating and wushu even though they are not HPPS students. HPPA will help parents to get the preferential rates. Whether parents and siblings of the HPPS students can be enrolled to the program will be decided by the suppliers/coaches who need to consider the availability of facilities and qualified trainers. Nevertheless, both HPPS and HPPA will not be responsible for the outcomes and any potential liabilities arising from participation of these activities.

Membership

Being a member, you can enjoy preferential rates for activities organized by HPPA. Participation of voluntary work to help the School and HPPA activities is not compulsory but highly encouraged.

For further information regarding HPPA membership and voluntary work, please contact Mr Malcolm Choi (choiwm@yahoo.com).
